

CANDIDATE'S ELECTION DAY EXPENDITURES REPORT

(to be filed by a candidate or his principal campaign committee)

This report is required to be filed by all candidates who are required to file campaign finance disclosure reports, even if no election day expenditures were made. The report is due not later than 10 days after the primary election, and, again, not later than 10 days after the general election if the candidate participates in the general election. This form is used to report payments by the candidate or his political committee: (1) for advertising that is broadcast or published on election day; (2) for the services of election day workers, and (3) to organizations for election day activities in support of the candidate. NOTE: This report is required in addition to all other required reports. Therefore, the expenditures reported on this report must be reported in subsequent "Candidate's Reports" for this election.
